Subject: RE: public records request

Good morning Ms. Humbarger.

The Indiana State Department of Health does not have any documents responsive to Item #1.

1. Abortion facility license applications and accompanying documents submitted to the ISDH between May 1, 2018 and May 25, 2018.

We are reviewing documents that may be responsive to Item #2. Please be aware that public records requests are responded to in the order received. As we currently have several other open APRA requests pending legal review at this time, we appreciate your patience as we work to complete your request.

2. All filings and other submissions (including all exhibits and attachments) made from 5/1/2018 through 5/25/2018 in the appeal of Whole Women's Health Alliance from denial of its application licensure of an abortion clinic, ISDH cause no. ACL-000132-18.

Kind Regards,
